

# Payment Assurance For Suppliers

With **Payment Assurance from Tempus**, you can sell to more customers and ensure you get paid without requiring prepayment or letters of credit.

## Get Paid Every Time

Payment Assurance holds full payment from a buyer in a dedicated secure US bank account so you can ship with confidence. Once we verify the shipment, payment is transferred directly to your bank account.

## Attract More Customers

Importers are more likely to buy when they don't have to risk prepayment or open a costly letter of credit. Payment Assurance makes it easy for importers to buy from you.

## Secure For Importers & Exporters

Tempus is a registered, licensed and bonded financial institution. We are registered with the US Treasury and one of the few Money Service Businesses (MSB) licensed in 49 states and Washington, DC.

## Enable Buyers to Purchase Now, Pay Later

US based importers can easily obtain trade financing through Payment Assurance up to \$1MM. Your buyers can purchase from you now and pay later, without additional risk or cost to your business.

## Save Money With Competitive FX Rates

Tempus provides competitive foreign exchange rates to more than 40,000 corporate clients globally. With Payment Assurance, you can secure your payment and receive funds in USD or convert to your local currency at market leading rates.

## Available to Suppliers Everywhere

Tempus supports payments in over 130 different currencies to enable secure transactions for importers and exporters on a truly global scale.
