Bloomberg Ranks Tempus #1 MXN Forecaster for Last FOUR Quarters

Tempus is proud to be named the **top currency forecaster for the Mexican peso** for four consecutive quarters in the Bloomberg FX Forecast Accuracy Rankings for Q3 2021. Additionally, Tempus ranked **4th place for G10 currencies** and **1st place for the New Zealand dollar**. Tempus earned these distinctions above nearly 50 other distinguished global financial institutions, including some of the largest banks in the world.

"*We aim to provide accurate estimates and are elated to consistently achieve high Bloomberg rankings, particularly our streak for Mexican Peso at #1, amidst a very convoluted world,*" explains Juan Perez, Senior FX Trader & Strategist for Tempus. "*As we navigate through the market madness, providing reliable guidance for our clients is imperative, and we are honored to be considered among the best in predicting this wild ride.*"

For over two decades, Tempus has helped guide thousands of organizations, across nearly all industry sectors, through volatile market conditions. This accolade reaffirms our efforts to deliver the best possible tailored currency and payment solutions to mitigate FX risk.
